This program is 100% HIPAA compliant. According to the Affordable Care Act (ACA), if it is unreasonably difficult due to a medical condition for your employee(s) to achieve the standard for your company's wellness discount, upon written notification, Gateway Health will provide your member with a reasonable alternative form to be completed by the member's Primary Care Provider. If the provider deems the member unable to meet the standard to qualify for the wellness discount, the provider will make recommendations that may entitle the member to receive the discount or incentive. Requirements, eligibility, and services may change from time to time so please contact your Health Improvement Program for updates. For a copy of the reasonable alternative form, contact *Healthy Solutions* for materials or more information at 844-284-2836.
